Annual Governance Statement for the Governing Body of Sunnybrow Primary School 2017

School Vision/Mission Statement

Sunnybrow Primary School: a place where everyone has the chance to shine.

'Imagine a place where everyone can learn together in a safe, caring and stimulating environment while growing in self-esteem and confidence.

Aims

These aims are designed to ensure that the school meets the needs of all, taking into account gender, ethnicity, culture, religion, language, disability, level of ability, sexual orientation, age and social circumstances. We strive to include and engage all pupils and to prepare them for full participation in a diverse society.

We aim to:

- create an inclusive community, in which everyone is equally valued, regardless of age, gender, gender identity, race or nationality, religion or belief, sexual orientation, pregnancy, marriage or civil partnership or disability;
- strengthen partnerships between pupils, staff, parents, governors and the wider community;
- develop an awareness, tolerance, respect and understanding of other cultures and different ways of life;
- encourage social, moral, spiritual and cultural growth; developing confidence, selfesteem, respect and responsibility for ourselves and our environment;
- provide a creative and challenging curriculum which encourages independence and promotes life-long learning and high aspirations;
- raise awareness of personal safety while providing a secure environment with clear and effective procedures ensuring the safety of everyone;
- create a positive, vibrant environment which motivates and inspires;
- promote the importance of a healthy lifestyle;
- equip pupils with the skills and knowledge to function well as citizens of the future;
- o recognise and nurture the unique abilities and achievements of each pupil.

School Values

The children have chosen their own set of school values to run alongside the British Values. They are:

- o Honesty
- Equality
- Ambition
- o Respect

o Trust

The Governing Body of Sunnybrow Primary School has a strong focus on its three core strategic functions:

- 1. Ensuring clarity of vision, ethos and strategic direction;
- 2. Holding the Headteacher to account for the educational performance of the school and its pupils, and the performance management of staff; and
- 3. Overseeing the financial performance of the school and making sure its money is well spent.

Governance arrangements	The Governing Body of Sunnybrow primary School was re- constituted on 25 th November 2015 and consists of the following members: The Head Teacher, 1 staff governor, 2 parent governors, 1 authority governor and 5 co-opted governors.
	The full Governing Body meets once each term and we also have a number of committees that meet to consider different aspects of the school in detail. We have a finance and premises committee who meet each term. We also have a curriculum and personnel committee which considers the school curriculum and staffing structure. This committee will meet at least once each year. We also have a pay review committee. We also have committees that meet if required to consider pupil discipline and staffing matters.
	Several governors have areas of special responsibilities and visit classes to improve their knowledge and understanding of their areas. These areas of special responsibility include: SEND, Looked After Children (LAC), safeguarding and child protection, literacy, numeracy and Premium Allocations. It also allows them to see the impact of the strategic decisions that are made by the Headteacher and the Governing body.
	Governors are welcomed in to school each term to monitor a curriculum area. Monitoring information is shared at governing body meetings. A monitoring schedule is now in place which reflects School Improvement Priorities.
Attendance record of governors	Most governors have an excellent attendance record at meetings and we have never had to cancel a meeting because it was not quorate (the number of governors needed to ensure that legal decisions can be made).
The work that we have done on our committees and in the governing body	 Staff appointments. The governors were instrumental in the appointment of a new Year 3/4 teacher to replace a teacher who left. They also appointed a temporary teacher to job share in Year 5/6 due to the resignation of the current post-holder. They assisted in the shortlisting

l	
	and interview process. Governors also appointed a
	temporary LSA for KS2 due to increasing pupil numbers.
0	Following interview, the Governors have agreed to make a
	temporary teacher permanent.
0	Governors agreed to appoint an additional Year 3/4
	teacher for 2 terms so the class could be split. It was
	hoped that this would help to accelerate progress in these
	year groups.
0	The SEND special interest governor continues to monitor
	the changes that the SEND Co-ordinator has made in
	school in light of the reforms and provides support for her
	in this role.
0	The finance committee has completed the Schools
	Financial Value Standard in conjunction with the
	Headteacher. An SLA for the development of a Business
	Continuuity Plan has been taken out following the
	completion of the SFVS.
0	Attainment and progress of pupils. Governors monitor the
	attainment and progress of all pupils and groups of pupils
	each term. This includes information from the
	Headteacher's report to governors, FFT Governor
	Dashboard and the governor pages from Raise
	Online/ASP.
0	The Governors have completed Pre-Ofsted training and
	Data Dashboard training both of which were conducted by
	our EDP.
0	Resources. The Finance and Premises Committee has
	considered the budget closely and authorised the
	installation of outdoor security lights, re-surfacing of the
	school playground, refurbishment of the school library
	and more internal doors.
0	Policy review. The governing body have ratified several
	statutory policies this year.
0	SIP. Governors monitor the progress of the school
	improvement plan through regular meetings with the
	leadership team. They have also produced their own
	section of the School Improvement Plan in conjunction
	with the Headteacher.
	Governors attended a Senior Leadership Team meeting to
0	
	evaluate the SEF (Self Evaluation Form). They agreed to
	the new school improvement priorities that were
	identified.
0	Governors have established their own monitoring plan for
	the year which is tied to the School Improvement Plan.
0	Volunteering. Several Governors are actively involved in
	daily school life. Governors volunteer in school by listening
	to readers and assisting in classes. They help to organise

	school events and participate in special events and
	celebrations.
	Minutes of the Governing Body and Committee meetings are
	public documents. They can be viewed by making a request at the
	school office.
	 Staff appointments. Skilled and enthusiastic teachers are
How these actions	now in place in every class. New appointments met all the
have benefited the school	requirements necessary for the post. The additional LSA is
501001	expected to have a positive impact on closing the gap for
	SEND and Disadvantaged pupils in KS2 in the coming
	academic year.
	 SEND reforms. We are now compliant with the legislation and reforms. SEND is well monitored by the governing
	body.
	 SFVS. Governors are now aware of the measures in place
	to ensure that the Headteacher is effectively managing
	the school budget and that robust financial systems are in
	place in school. Business Continuity can now be
	established in the event of an emergency.
	• Attainment and progress of pupils. As the governors are so
	knowledgeable about the attainment and progress of
	pupils, they willingly challenge the Headteacher regarding
	the data. They have a good understanding of how our
	school compares to other school nationally and our areas
	of strength and weakness.
	 Resources. The refurbishments of the building has
	ensured a safe and secure learning environment that is
	vibrant and appealing.
	• Policies. The policies are compliant with current legislation
	and were adopted in the relevant fashion.
	• SIP. By monitoring the progress of the school
	improvement plan, governors are able to ensure that the
	strategic development of the school is robust and cohesive. Governors are aware of what is happening in
	school and understand the impact of each area of
	development. Governors also have some ownership of
	their own development in school. By being involved in the
	self-evaluation progress, Governors have a thorough
	understanding of the strengths of the school and our next
	development priorities.
	 Monitoring. Governors will now regularly monitor the
	areas of the School Improvement Plan. Information will be
	shared effectively with other Governors.
	 Volunteering. Governors have an excellent knowledge of
	daily school life which enables them to inform the whole
	governing body. They have a positive relationship with
	staff, pupils and parents.

Future plans for the Governing Body	 Continue to develop the skills of the governing body through further governor training. This training will be allocated following a skills audit. Continue to develop the monitoring role of the governing body. Monitoring arrangements will be formalised. Continue to involve governors in writing the School Improvement Plan and self-evaluation Governors to become more aware of the performance management of teachers and how objectives are set and differentiated. Organise and take part in an external review of
Contact Details	governance. The Governing Body welcomes suggestions, feedback and ideas from parents/carers. Please contact the Chair of Governors c/o the school office. Details of the full Governing Body are on the school website.
