Welcome to another addition of our Friday Flyer. The weeks seem to be flying by, and every one of them is jam-packed full of fun and learning. Our staff are always thinking of different ways they can bring learning to life for our children and this week Cosmos Planetarium came into school and took all of the children on a journey through space. There was a real buzz around school, with curious children asking lots of questions. A huge thanks to Miss Wild for organising this.

Class 4 are working with Northern Heartlands on their Hidden Heritage project 'Time Detectives'. They are exploring Willington and Sunnybrow through time. This week, the children investigated

different artefacts from the Roman Time, had a go at a mini-excavation and then used clay to create some clay pots.

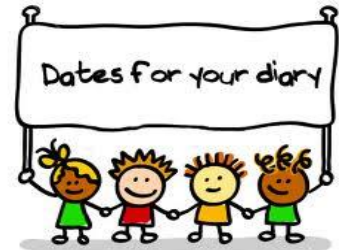

Bowes Museum Trip

On Monday 6th February, Classes 1 and 3 will be going to Bowes Museum. This is a fully-funded trip, so there is no cost to families. Please make sure your child is wearing their school uniform, sensible shoes and a warm coat.

Attendance

I have now sent everyone either a message on dojo about attendance or a letter home. We really do understand that for a lot of children, they have had a run of being really poorly, as so many winter bugs have ripped through school and we do appreciate you all calling in and letting us know when your child is

going to be off. However, we have noticed that for some children, they have odd days off here and there. These odd days do have a huge impact on overall attendance, so I sent home % figures so all parents can be aware of their child's attendance. We are here to help in any way, so please do get in touch if we can support you.
