Another busy week at Sunnybrow this week. We welcomed some of our Governors into school on Thursday morning to see our Maths lessons. They were really impressed by how engaged and enthusiastic the children were and they enjoyed seeing our new Maths curriculum in action!

Class 2 held their parent event too this week and it was really well attended. There was a buzz in the classroom as the children worked with their parents to create their art final pieces. Thank you to everyone who attended.

Class 3 had a trip to St. Stephen's church on Wednesday and the trip was even more exciting because they caught the public bus down! The children had a fantastic time learning all about the different features of a church. As always, they were superb ambassadors for our school!

The highlight of the week has to have been the Sunnybrow Cook-off on Monday for children's mental health week. Each class had to design and make a balanced meal. As a judge, I was so impressed with the standard of meals and the children's understanding of why their meals were balanced. There was a lot of good-natured rivalry and the results were:

- Class 1- Best presentation
- Class 2- Overall best flavour
- Class 3 - Most balanced meal
- Class 4- Best dessert

- Tuesday 13<sup>th</sup> February-Class 1 ice-skating trip
- Thursday 15<sup>th</sup> February-Valentine's Disco
- Friday 16<sup>th</sup> February-School closes for half term
- Monday 26<sup>th</sup> February-School closed for Teacher Training day
- Tuesday 27<sup>th</sup> February-School reopens
- Thursday 2<sup>nd</sup> May-School closed for Polling station

School attendance for the year:

- Class 1: 75%
- Class 2: 93.6%
- Class 3: 93.8%
- Class 4: 92%

Safeguarding:

Worried about a child out of school hours?

- If a child is in **immediate danger or at risk of immediate harm**, you should contact the **Police on 999**.
- If you are **concerned** about a child you should share your concern with the **First Contact Team on 03000 267 979**.

**Online Safety:**

Safer Internet day was on Tuesday this week. In our school, one of the biggest conversations amongst the children is around gaming. I know how popular it is in my house alone and also the impact it can have on your child's mood too! The UK Safer Internet Centre has some really useful information about gaming.
