Careers week ended in spectacular fashion with visits from Ms Midgley, Joe our Sports coach and Clare the Police dog handler. Ms Midgley talked to the children about her career in hairdressing and did a superb demonstration of hair braiding on Katie. Joe explained why he chose to become a sports coach and the route he had to take to become qualified and Clare brought Jett and Ben the police dogs in and talked to the children about her job in training the dogs. It has been a really inspiring careers week, so thank you to all of our wonderful volunteers.

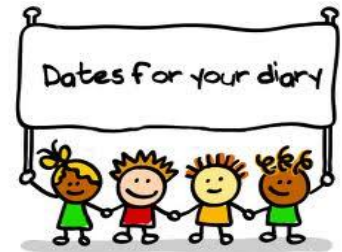

Class 3 have had a hugely successful week. On Monday, they took part in a Tennis Festival at Parkside and Blue team came first place out of 10 teams! Then, on Wednesday, they found out that they had won Vision Education's International Women's Day competition for their fantastic collage! Their prize is a coaching session from some of the players for Durham's women's football team! Well done Class 3!

Last week, our school council had a meeting with the town mayor and deputy mayor to discuss their views on Willington and the surrounding areas. The school council are going to be taking part in a little project with other schools, involving finding out what young people think of the area and what they would like to see improve. Everyone learned a lot about the job of the mayor and even had a turn trying on her chain! The mayor and deputy were very impressed with the behaviour and manners of the school council too.

Class 4 and Class 2 had visits from the NSPCC as part of their Speak Out Stay Safe campaign. The ladies from the NSPCC were extremely complimentary about the children and how engaged they were.

Safeguarding:

Worried about a child out of school hours?

Online Safety:

ACT which is the Action Counters Terrorism group have an informative website for parents about radicalisation. It can be hard to know what to do if you're worried someone close is expressing extreme views or hatred, which could lead to them harming themselves or others. Working with other organisations, the police protect vulnerable people from being exploited by extremists through a Home Office programme called Prevent. You can find out more information by clicking this link:
