Welcome to our 26<sup>th</sup> edition of this year's Friday Flyer. We hope you enjoyed your bonus day off yesterday-at least the weather is getting slightly warmer!

A round-up of Sunnybrow life this week:

It was lovely to see so many parents come to Class 3's parent event. The children have been learning about structures in DT and they were tasked with designing and making a pavilion. In the parent event, children worked with parents to make their final structure and the results were fantastic.

Class 1 children went on a trip to Potter's World at Lanchester Garden Centre. Their current topic is 'eggs', so they went to find out more about animals that lay eggs. Miss Wild said the children were fantastic and there was certainly lots of excited chatter about the morning when the children arrived back in school.

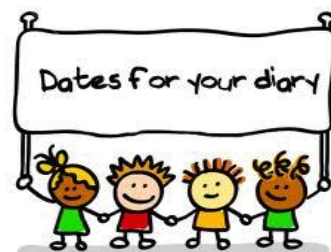

Class 2 have started their new history topic learning about Grace Darling. The children investigated images and listened to a diary entry written by

Grace Darling, then used the information to develop their own questions to ask Grace about what life was like living in a lighthouse in the Victorian era. Class 4 children have been looking at the poem 'If' by Rudyard Kipling. They've spent the week looking at the meaning of the poem and talking about any unfamiliar vocabulary they could find, then had a go at writing their own versions of the poem. The

poem is about Rudyard Kipling giving advice to his son, so everyone picked something they could give advice to someone about for their own poem.

### Online Safety:

This week, instead of online safety advice, we are sharing The National Online Safety's Guide to supporting children with self-regulation. I know in my house, my children can be really triggered by some of the computer games they play and we have some 'interesting' outbursts if they lose a FIFA game!

As infants, we all rely completely on adults to help us resolve situations that are causing us to become upset or stressed. This is known as co-

regulation. The next phase, once autonomy has begun to develop, is called self-regulation: this is when children start to become capable of exercising more control over their impulses and behaviour, and managing their own emotions.

This vital developmental milestone, however, isn't reached spontaneously. Learning to self-regulate requires sensitive guidance from trusted adults – simply talking with children about their thoughts and feelings, for instance, can ease the route to self-regulation. Check out the guide for some expert tips for supporting children to reach this goal.

### Safeguarding:

Worried about a child out of school hours?

- If a child is in **immediate danger or at risk of immediate harm**, you should contact the **Police on 999**.
- If you are **concerned** about a child you should share your concern with the **First Contact Team on 03000 267 979**.
- You can also contact the **NSPCC for advice on 0800 800 5000** or email [help@NSPCC.org.uk](mailto:help@NSPCC.org.uk)
- If you have **non-urgent** information about the safety or welfare of a child to share with the safeguarding team at Sunbrow Primary School please contact **Mrs Sim** on 01388 746 413 or [sunbrow@durhamlearning.net](mailto:sunbrow@durhamlearning.net)
