Our first full week back at school has been fantastic! Staff have been so impressed with how quickly the children have all settled into their new classes; behaviour has been exemplary too. We are doing a huge push on presentation across school this half-term and I have really enjoyed looking through books and seeing children striving to produce neat work. All-in-all, it has been a really positive start to the school year!

We really do have the best teachers at Sunnybrow, and they have hit the ground running by providing some super exciting learning opportunities for the children already in the

first week. Class 1 have been looking for signs of Autumn up on the school field. They were collecting blackberries for their jam-making session this morning, when they discovered a footprint in the woodland! There has been lots of discussion and speculation amongst the children about who the footprint could belong to...hopefully they will find out soon! They also had a visit from Ronnie's pet Blobby the Bearded dragon. Thank you so much to Ronnie's parents for bringing him.

Class 2 have enjoyed a fun 'Superheroes' multiskills day with Mikey from Education Enterprise. Each station was based on a superhero power. They threw like Iron man kicked like the Hulk!

Class 3 have started up their swimming lessons. This can be a really daunting time for some children, but Mr Vincent was very impressed with how resilient and enthusiastic the children were, even when they felt nervous!

**Online Safety:**

This week's National Online safety guide focuses on online content: 10 tips to keep your children safe online. The internet has transformed the ability to access content. Many apps that children use are dependent on user-generated content which can encourage freedom of expression, imagination and creativity. The guide

takes a look at how to tackle a range of potential risks such as age inappropriate content, privacy issues and mental health.
