

# Sunnybrow News

Date: 20.09.24

Issue Number: 3

Another week has flown by at Sunnybrow. Our teatime club is now up and running to rave reviews of '5 star meals'. Across school, it has been election week and children have been voting in classes for their new School Council members. We spend a lot of time talking about the fundamental British values, so this week has been a great opportunity to reinforce the value of democracy. Watch this space to find out who our new School Council members are and what they will be working on!

Our sports teams have been up and running, led by Mr Vincent and Miss Frazer. Our Netball team came 3<sup>rd</sup> place in today's competition, missing out on 2<sup>nd</sup> place by one point!

### Arbor Online System

Our Arbor system for online payments is now live! The only thing that can't be paid for is Nursery fees-everything else can be paid for via the app. Ideally, we would like to move to a cashless system as much as possible so please do get in touch if you need any help.

### Key Stage 2 Residential to Newby Wiske Hall

This year, we are planning a two night residential in March to Newby Wiske Hall in North Yorkshire (an hour away). This residential will be open to all of KS2 and will be no more than £100 in total. This will be the only KS2 residential this year, so please do fill in the form and secure with a £20 deposit if your child would like to go.

### Online Safety:

This week, our online safety guide is all about age restrictions. In this ever-changing world of technology, it can be really difficult to keep up to date with the age requirements for games and apps. This helpful guide show the range of age restrictions and can be a useful starting point in helping you talk to your child about why age restrictions are important and help to keep them safe online.
