

Sunnybrow News

Date: 25.10.24

Issue Number: 8

Well that's a wrap for the first half-term of the year! It has been jam-packed full of fun and learning, and having a day full of Halloween celebrations has been the perfect way to end it! Class One have managed to fit another two trips into this final week, with some of the children heading to Willington Library on Monday and then to Willington Care Village this afternoon to show all the residents their Halloween costumes. We really value our local community, and are always happy to get out and about! Our Community Heroes club will be making Christmas Care packages for the residents of the Care Home next half-term.

Class Two have completed their DT project on puppets this week, and some of their creations were fantastic! Inspired by Jim Henson, they designed, made and evaluated puppets for the story Little Red Riding Hood.

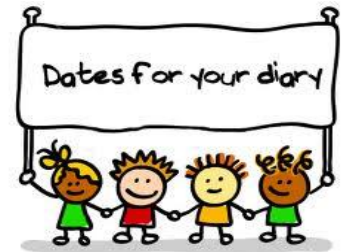

Class Three have been continuing their History topic *Stone Age to Iron Age*. They are currently up to the Bronze age and have been exploring what life was like living in this time.

Class Four love Science. (Miss Murphy loves it too). This week, they have been learning about the different stages of the human life cycle and created PowerPoints focusing on the elderly and the changes they experience.
