Welcome to the first newsletter of 2025. What a week to start back-the cold weather just hasn't let up! Hopefully our yard will be back to normal and in full use next week. Thank you for your patience. Just a reminder, please ensure your child has suitable clothing and footwear for this weather as we do have a small amount of additional clothing, but not much. Children are always welcome to bring their slippers or an additional pair of shoes that they can change into, as we know trainers and school shoes aren't always the most waterproof in this weather!

We've hit the ground running after Christmas, and we have been straight back into our learning. Some of our Governors came for a visit to see our Maths lessons yesterday, and they were really impressed with how hard working and enthusiastic our children are.

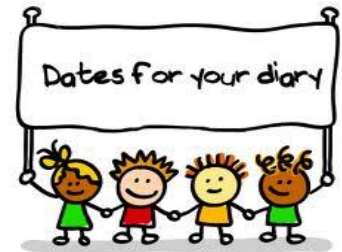

Class 2 have been using the iPads this week to research teddy bears. They have carefully recorded all the information they have found ready for writing non-chronological reports about them next week. Class 4 children have put their DT skills to good use by completing their 'playground' topic. Their final structures were fantastic, but the children had to show great resilience to complete them as they were incredibly fiddly to make.

Swimming lessons

Just a reminder that it is now Class 4 children's turn for swimming lessons every Thursday afternoon. It is a legal requirement and part of the school curriculum, so children must attend the lessons unless they have a medical note from the GP. Please speak to Miss Murphy if you have any concerns around this. We know that some children get very anxious about swimming and we can put a plan in place to support the children if we know.
