Issue 21 of our Friday Flyer sees us welcome February half-term holiday. The half-term after Christmas is always a busy but tiring one, so I know we are all ready for a rest and reset! Some of our highlights have been learning about getting a good night's sleep for Children's Mental Health week (always love an excuse to come to school in our pjs!), celebrating Chinese New Year and our Valentine disco.

On Thursday, we celebrated St David's day. It is part of our commitment across school to develop our children's understanding of the four countries of the United Kingdom. Class One had a go at making Welsh cakes...it wasn't as easy as they thought it might be, but they smelt and tasted delicious!

In other news, Class 3 have been busy bakers this week and finished off their DT topic by making fruit tarts. They talked about how they could make their tarts stand out, look appetising, and how different coloured fruits have different nutritional benefits. They then made their tarts before tasting them. They were a huge success.

Class 4 have been getting theatrical in their music topic. They rehearsed some musical scenes and then performed them to the class. They were very impressive! They then appraised each group and discussed what they thought they did well, as well as what they could do to improve. Well done Class 4!
