It's been lovely to move into April with such gorgeous weather-Spring is certainly in the air and the lighter nights are really welcome. We are so lucky to live and work in such a beautiful area, and Class 1 were over the moon to be invited by Mr and Mrs Curry to go and visit Low Fold farm. They were lucky enough to meet the lambs, sheep, horses and some enormous fish. They even got to feed the lambs and sheep! It was a great experience for our younger children, so a huge thank you to both Mr and Mrs Curry for being such great hosts!

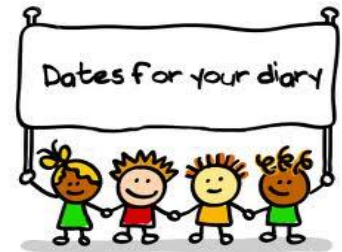

Class 3 have been busy in Music continuing their learning in the topic on 'Body Percussion - Sounds of the Rainforest'. They've been watching and evaluating pieces of music where choirs have used different body parts to create the sound of a rainforest. They then worked in groups and were each given a different layer to explore. They then thought about what sounds they might hear in each, and then had a go at recreating them using instruments and body parts.

Class 4 children have been working with the Mini-Police over the last month. This week, it was their last session and they focused on creating posters to prevent anti-social behaviour.
