This week has been another example of why we are so proud of our Sunnybrow pupils. Our Year 6 pupils have had their SATs tests this week and they have blown us away with their mature, ambitious and resilient attitudes. Never once have they complained, they have just got their heads down and worked their socks off and we are so proud of them all. Regardless of the results, our pupils can hold their heads up high and know they tried their best!

VE day

Last week, we celebrated the 80 anniversary of VE day. Children were invited into school wearing red, white and blue then we held an afternoon of celebrations. Children learnt about the history of VE day, had a picnic, learnt a famous war time song and took part in some craft activities. A great day has had by all!

Ducklings!

Class One have three new members...over the last two days, three little ducklings have hatched from their eggs. There has been great excitement in the class. The ducklings will go and live with Mrs Clarke-Boyd, so we will get to see them as they grow up. This is such a valuable experience for our children to support their learning on life cycles.

Class 3 have been learning how to play 'When The Saints Go Marching In' as part of their music topic looking at jazz music. They practiced the first 8 bars, and then practiced having a go at call and response by splitting the class in half.
