Sunnybrow News

Date: 06.06.25
Issue Number: 31

The last half-term of the year has started with a hive of activity as our Year 4 pupils have been preparing to sit their multiplication check. This is a statutory assessment in England and Wales for pupils in Year 4 to evaluate their fluency in recalling multiplication facts up to 12 x 12. It's a quick, online check designed to identify pupils who may need additional support with mastering their times tables. Our Year 4 pupils will sit the check next week, but they are fully prepared!

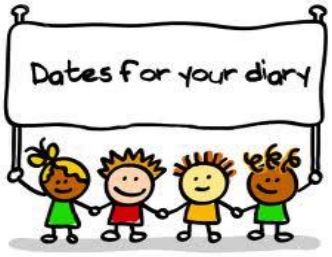
Class 3 and 4 welcomed Mikey from Education Enterprise on Thursday for an Ultimate Frisbee competition. The children had great fun up on the school field, learning how to hold and throw a frisbee properly, before then competing in some small games against each other. Mikey then came back into school on the afternoon for a 'Grab a Grown-up' event with Class 1 parents. Thank you for everyone who attended-it was a super turn-out!

Sports Day

Well, the rain stayed away for another successful Sports Day at Sunnybrow. There was lots of laughter shared and some great examples of teamwork and sportsmanship. A huge thank you to Mr Vincent for organising it all. Results will be shared in a special assembly on Monday!

2 year olds Nursery Offer

From September, we will have a limited number of spaces available fpr 2-year-old children in our gorgeous Nursery. Children can start the day after their 2nd birthday. Please help us spread the word. If you would like your child to attend, please give the office a call to add your child's name to our list.



Thursday 12th June-Class 4 parent event

Wednesday 25th June-Summer Fair

Friday 11th July-Reports out to parents

Safeguarding:

Worried about a child out of school hours?

- If a child is in **immediate danger or at risk of immediate harm**, you should contact the **Police on 999**.
- If you are **concerned** about a child you should share your concern with

Online Safety:

Emojis aren't just digital decoration — they're often used as a coded language that young people use to express identity, humour and emotion. Without context, they can easily be misunderstood by adults, leading to confusion or missed signals. Some emojis may even mask risky behaviours or emotional struggles.

This week's National Online Safety guide helps decode this ever-evolving language, empowering parents and educators to have more open, informed conversations with the children in their care. It also highlights the meaning of some common emojis and offers practical tips for staying clued-in without snooping or suspicion.

- the **First Contact Team on 03000 267 979.**
- You can also contact the **NSPCC for** advice on **0808 800 5000** or email help@NSPCC.org.uk
- If you have **non-urgent** information about the safety or welfare of a child to share with the safeguarding team at Sunnybrow Primary School please contact **Mrs Sim** on 01388 746 413 or sunnybrow@durhamlearning.net
