

Sunnybrow News

Date: 13.06.25

Issue Number: 32

What a lovely week we have had in Sunnybrow this week. On Monday, I had the pleasure of going to watch our Shakespeare club take part in the

Royal Shakespeare company playmakers festival at Bishop Auckland Town Hall. The group haven't had a lot of time to practise due to SATs, but they were absolutely fantastic! It's really tough to get up on stage in front of an audience but a really great experience. A huge thank you to Miss Murphy and Miss Frazer for all of their hard work in putting it

together.

Class 4 held their parent event on Thursday, and there was a fantastic turn out. The children and parents completed their final art pieces and made some fantastic houses. Class 2 have been really enjoying their Music project and creating fast and slow and loud and fast sounds to match the dynamics of the story of Little Red Riding Hood. They thought about the events and the feelings of the characters to decide the tempo and dynamics.

Our new after-clubs have started and there has been much fun had already. In Funky Fruit club, the children made their own fruit pizzas. They displayed some excellent cutting and chopping skills and enjoyed eating all the fruit! In Bikeability club, the children practised fastening their helmets and taking small steps and then gliding with their bikes, gaining confidence with their balance.

2 year olds Nursery Offer

Thursday 12th June-Class 4 parent event

Wednesday 25th June-Summer Fair

Thursday 10th July-Leavers Disco (open to all)

Class 3: 97.0%

Class 4: 91.9%

Safeguarding:

Worried about a child out of school hours?

- o If a child is in **immediate danger** or **at risk of immediate harm**, you should contact the **Police on 999**.

Just a reminder, please could you help spread the word about our lovely Nursery and our new 2 year old offer. We currently have a couple of spaces left.

Online Safety:

The remarkable growth of generative AI tools like ChatGPT has opened up exciting new opportunities for young learners. Used wisely, AI can be a powerful ally in boosting creativity, learning and problem-solving skills. However, without proper guidance, young people may stumble into challenges including inaccurate information, data security risks, and a growing reliance on AI over their own critical thinking.

From setting clear usage boundaries to teaching digital hygiene and promoting independent thought, this guide offers parents and educators practical advice on the safe, positive use of AI. With the right understanding and guidance, you can ensure that generative AI becomes a positive influence, rather than a potential pitfall in young people's digital lives.

- If you are **concerned** about a child you should share your concern with the **First Contact Team** on **03000 267 979**.
- You can also contact the **NSPCC** for advice on **0808 800 5000** or email help@NSPCC.org.uk
- If you have **non-urgent** information about the safety or welfare of a child to share with the safeguarding team at Sunnybrow Primary School please contact **Mrs Sim** on 01388 746 413 or sunnybrow@durhamlearning.net
