Welcome to the first edition of the Friday Flyer! It has been such a lovely start to our school year. The children have all settled back into school life beautifully and we've been so proud of the older children, who have taken the new starters under their wings and shown such kindness as they get used to a new place and routines.

It has been assessment week this week across school. After 6 weeks off, it is really important for our teachers to find out what the children can remember, so learning is pitched at the right level.

The children have all displayed super attitudes and been incredibly focused!

Class Two welcomed Mikey from Education Enterprise on Wednesday morning for a PE lesson working on fundamental skills. Mikey always brings lots of energy to his lessons, so lots of fun was had by all!

Class Four

quickly hit the ground running and dived straight into a new Maths topic exploring numbers up to one million. Across school, we always start Maths topics by using concrete resources to provide hands-on ways to explore mathematical ideas and develop deeper conceptual understanding.

## Class 4 Swimming

Years 5 and 6 will be swimming throughout the autumn term, up until Christmas. Swimming sessions will take place at Bishop Auckland Leisure Complex on Wednesday mornings. Please make sure your child brings their costume/trunks, towel and swimming hat. Swimming hats can be purchased at the swimming baths if needed.

## Weekly Top Tips:

Stress is a natural part of life, but for children and young people, it can often feel overwhelming and hard to navigate. That's why #WakeUpWednesday have created a practical guide featuring 10 simple, actionable strategies to support young people in managing stress in healthy, balanced ways.

Perfect for both school and home environments, this guide empowers adults to:

- Recognize subtle signs of stress early on
- Encourage open, honest conversations
- Model calm, constructive responses
- Introduce mindful habits and healthy routines

By creating safe spaces and integrating supportive practices into daily life, we can help build emotional resilience and long-term mental wellbeing in the young people we care for.

Whether you're a teacher, parent, or youth worker, this guide is a valuable tool to foster positive change and emotional strength in the next generation.
