October has greeted us with delightful weather and reminded us that we are now firmly in Autumn! Mrs Elamin and Mrs Black took the opportunity to get in the Halloween spirit in Art club last night and the children practised their collage skills by making some spooky pumpkins.

On Friday last week, we celebrated European Day of Languages across the school. This year, each class looked at the country Italy. They shared traditional Italian stories, cooked Italian food and learnt about famous Italian artists. The children were really engaged and Class 4 in particular loved the pasta they cooked (it smelt delicious but sadly it was all gone before I got there).

On Tuesday, Class 2 took part in Boccia and Kurling at Parkside. Miss Wild and Mrs Featherstone were really impressed with the children and their brilliant sporting attitudes. The children scored 862 points overall which was a very impressive total! Well done everyone!

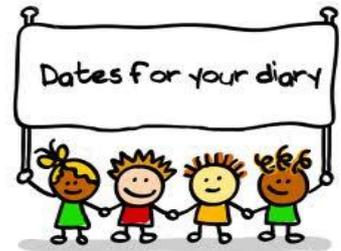

School Council

Our School Council met for their first official meeting yesterday. Our Chair (Katie) and Vice-Chair (Anya) were fantastic at their roles. Katie ran the meeting with efficiency, making sure everyone got a turn to share their ideas and Anya took careful minutes, summarising at the end so everyone had a clear understanding of what had been discussed. They have identified 3 priorities for the year:

1. To develop activities and resources for outdoor play
2. To grow kindness around school
3. To promote health eating

Weekly Top Tips:

With new kits, updated squads and refined gameplay, EA FC 26 brings the thrill of top-tier football to living rooms once again. While it continues to offer family-friendly fun in modes like Kick-Off and Career, the ongoing popularity of Ultimate Team – where players spend money to build fantasy squads – brings a mix of excitement and risks.

Children can encounter issues such as gambling-like mechanics, voice chat with strangers, and potential exposure to scams. This week's #WakeupWednesday guide breaks down the game's most important features, highlights the key risks to be aware of, and shares practical advice for helping young players stay safe while gaming and interacting online.
