Half-term has ended with the most delightful week. On Thursday, we invited some of our Governing Body into school to see how we teach writing, and they were blown away with what they saw. The children were so engaged in their learning, the speaking and listening was fantastic and the writing they were producing was of a really high quality. Just another day to be incredibly proud of our Sunnybrow children!

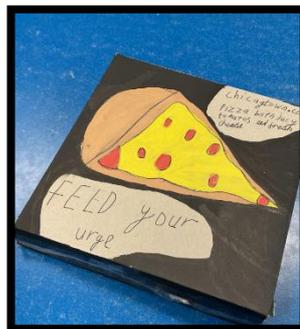

Last night, we had a blast at the Halloween disco! Mia's Mum and Dad always throw an excellent party and last night was no exception. The games were so much fun and the music and decorations were brilliant! Thanks to everyone who helped to make the disco such a huge success!

We have had a lot of fun celebrating Diwali too this week. Diwali is the Hindu festival of light. The children have learned about Diwali celebrations around the world, as well as trying some Indian food that might be eaten during Diwali and making some crafts.

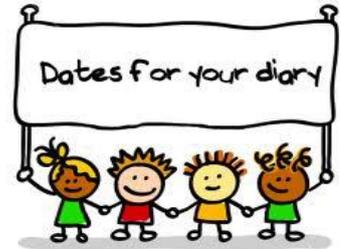

Class Two children have finished their final products in DT. Their design brief for this half-term was to design, make an evaluate a fairground wheel-not an easy task, but the children really rose to the challenge and produced some fantastic models. Well done everyone!

Class 4 also finished a final piece this week, but this time it was for their art topic. They have had so much fun completing their redesigns of popular food packaging - from pizza and cereal to ice lollies and yoghurts. Some of the final pieces were exceptional and very creative!

Fortnite continues to reign supreme in the gaming world, drawing in millions of players with its bold graphics, fast-paced action and constant stream of new content. This week's guide looks at the latest developments in the game – such as themed updates, crossover characters and limited-edition cosmetics – and what they mean for young players and the adults who support them.

It also unpacks some of the key online safety risks associated with Fortnite. With in-game purchases, cross-platform communication and regular seasonal updates creating an 'always on' experience, it's vital that trusted adults

understand how to help children and young people enjoy the game without being exposed to unnecessary risks.
