We are off to a flying start this term. Christmas carols are being sung and the parts have been given out for the Christmas productions. There are some cracking songs in the shows, and we can't wait to share them with you all!

While we hold back from going into full-on Christmas mode too early, we have enjoyed celebrating Bonfire Night. We have had our Forest School area cleared out and Miss Murphy and Miss Wild got the firepit area back up and running. Throughout the day,

every class visited the campfire, learnt about fire safety and made delicious s'mores. It was a super way to start half-term and was thoroughly enjoyed by everyone.

Class Four children went on a walk around Sunnybrow on Tuesday afternoon. They found lots of different living things in the local area and began to classify them based on diet, appearance, habitat and structure. They used magnifiers to see small invertebrates and binoculars to observe larger vertebrates. Then, they used clay to create their own 'living things' with different numbers of limbs, body structures and diets. Everyone had a wonderful time and demonstrated our Sunnybrow values perfectly.

a blend of strategy, fun, and Pokémon nostalgia that's hard to resist.

Beneath the colourful exterior, there are risks that parents and educators should know about. In-game purchases, monthly passes, and limited-time expansions encourage ongoing spending, while the competitive online play may lead to frustration, over-investment, and extended screen time. This week's #WakeUpWednesday guide helps adults understand these hidden challenges.

Class 4: 93.6%
