Well, it feels like it has never stopped raining this week, but that never stops the fun at Sunnybrow! We always try and embrace the weather, so please do make sure children come to school with a warm, water-proof coat. We have lots of wellingtons and will always try and get outside for some much-needed fresh air if we can.

Class 1 have continued to enjoy their winter topic and there was much excitement in the classroom this week when the construction area was filled with 'snow blocks'. The children enjoyed designing and constructing their own igloos!

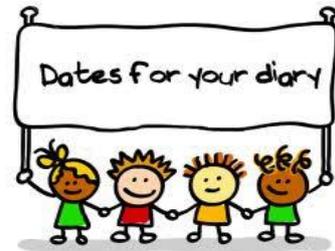

Class 2 have been working on their final pieces in DT: Making Windmills. The children have explored what makes a stable base and then designed, constructed and evaluated their own windmills.

Lots of thought went into the design process and the children had very clear ideas about what they wanted their end pieces to look like. They then evaluated the success of them against the design criteria. Well done Class 2.

After-school clubs remain very popular. Little people, Big Minds club learnt about Taylor Swift this week. There were lots of 'Swifties' in the club, so lots of excited children. Every child made their own guitar with the help of our Parkside Year 10 volunteers Adam and Emmie. In

Dodgeball, our team had two games and drew both! Mr Vincent and Miss Murphy were very impressed with the children's sportsmanship.
